Who We Are?

KV Clinical Research Services (KVCR) is a Site Management Organization (SMO) which established in the year 2015. KVCR acts as a common platform between the Principal Investigators/study sites and study Sponsors/CROs for the successful execution of clinical trials. KVCR focused on development of drugs for various therapeutic areas in all phases of clinical trials at India. KVCR is built by passionate and experienced individuals working along with our clients to conduct clinical research for delivering new drugs and medical devices to the market, with maintaining the high quality of Data.

Our Mission

To offer clinical trial services from Phase I - IV in key therapeutic areas, strictly compliant with ICH-GCP & NDCTR guidelines. Our multi-site investigator networks next to our well trained in-house team, blend into unique "tailor made solution" to match the needs and expectations of CROs and sponsors.

To collaborate with clients for develop a better future for community by bringing our expertise on drug development through the commitment of our expert clinical research professional.

Solutions

Our extensive database of Principal Investigators, leading hospitals, and research centers allows us to access special populations to fulfill protocol requirements and ensure rapid recruitment of eligible study subjects.

Our SOPs meet the highest standards for conducting clinical trials. We manage our sites with highly qualified personnel, experienced in conducting clinical trials while adhering to applicable regulations & guideline. This includes ICH GCP, NDCT-2019.

Our Services

Providing services to CRO, Sponsors, Hospitals and Clinicians to facilitate the clinical trials. Also helps Hospitals to setup the Clinical Research Department.

- NAITIC Portal formation and Registration
- NABH Accreditation for IEC
- ICH-GCP training programs for IEC Members.**

Note: having experience of All the regulatory including USFDA, DCGI and EMA study and Inspections.

Research Areas on various system of Medications

- CDSCO (DCGI)
- Completed Several Studies
- Various superspeciality & Multispeciality Study Sites

Allopathy

- Department of Ayush
- Completed Several Studies
- Ayurvedic Hospitals & Clinicians

Herbal & Ayurveda

Medical Devices

- CDSCO (DCGI)
- Completed 100+ Studies in last five years
- Study Sites

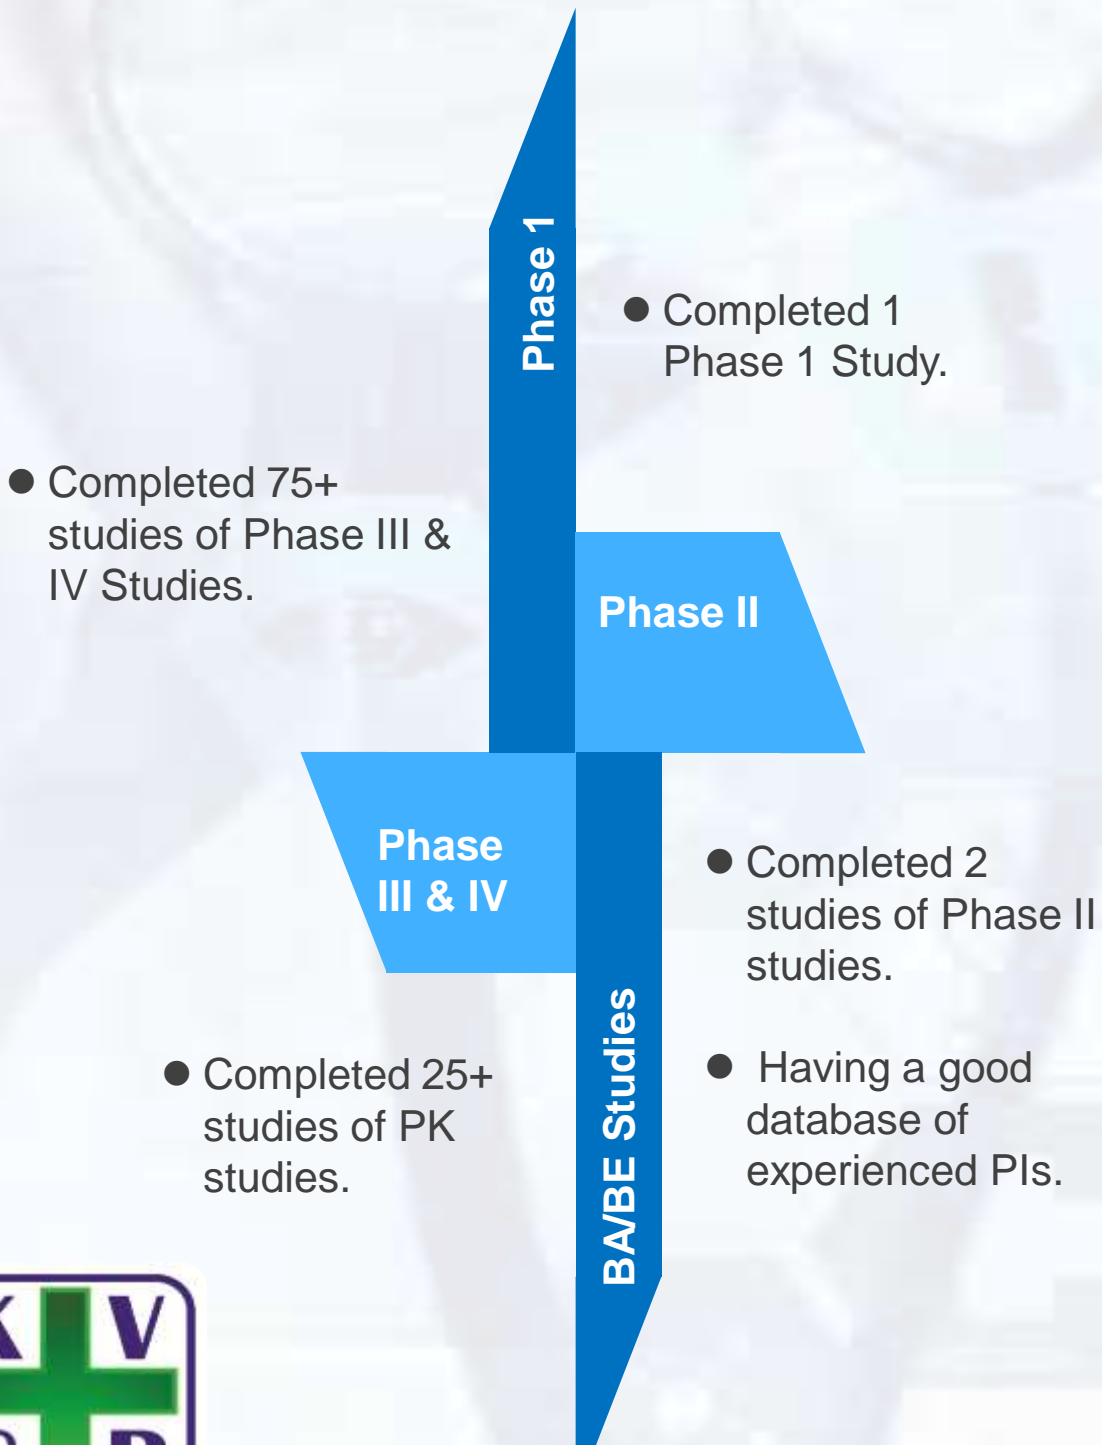

Homeopathy

- Department of Ayush
- Homeopathy Hospitals

nothing beyond humanity
ಅನನ್ಯ ಮಾನವತೆ

Types of Clinical Trials

nothing beyond humanity
ಅನನ್ಯತೆ ಮಾತ್ರವೇ ಮನುಷ್ಯತೆ

Note: having the experience of Covid19 Studies.

Strengths

Complete Solution at one place

**Having good collaborations
with 27 Hospitals all over India**

**Expedited recruitment of
study subjects.**

**Expert Advisors and Clinical
Research Professionals**

Data Quality

nothing beyond humanity

**Note: Facilitated National & Global
studies for many CROs and Sponsors.**

Oncology

1. Hemato Oncology
2. Medical Oncology
3. Surgical Oncology

Dermatology

All the Indication

Cardiology

1. Hypertension, IHD, MI, Cardiac Arrest
2. Cardio Surgery

Pediatricians

All the Indication including Vaccines

General Medicine

1. DM Type1&2
2. Hematology
3. Hypertension

Orthopedic

1. RA
2. OA
3. Osteoporosis
4. Surgeries

Neuro-psychiatry

1. Neurology
2. Psychiatry Disorders

Therapeutic Areas

Respiratory Medicine

1. Asthma
2. COPD

Hepato-Gastroenterology

1. IBD (Ulcerative Colitis & Chron's)
2. Peptic Ulcer

Ophthalmology

All the indication including surgery

Uro-Nephrology

1. Urology
2. Nephrology

Immunology & Infectious Disease

1. All kind of infections
2. Viral infection

Dental

All the Indication including Surgeries

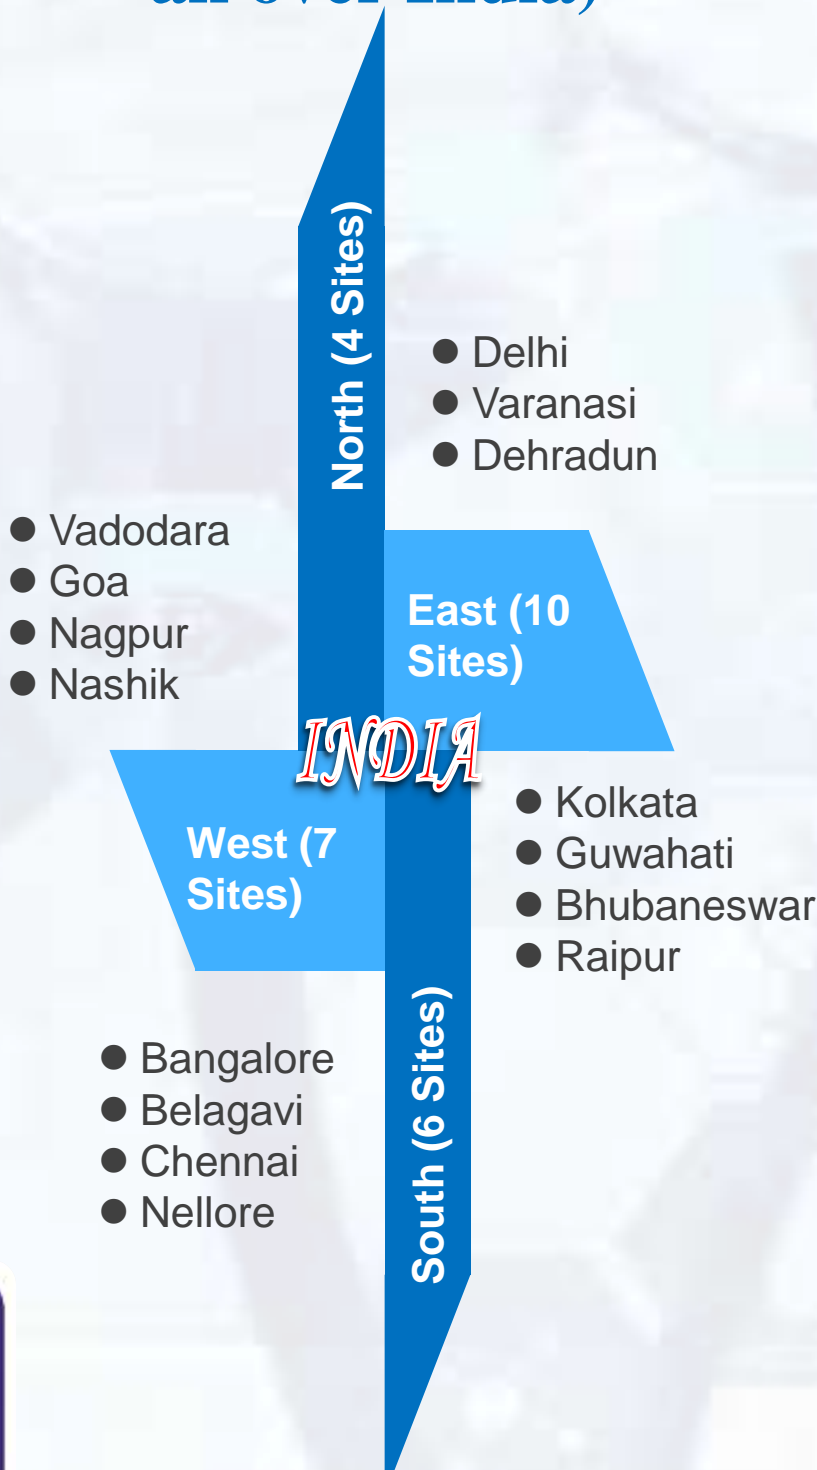

Gynecology

All the indications

Note: Our research areas are not limited to abovementioned specialties...

Locations of Sites

(KVCR is collaborated with 27 hospitals all over India)

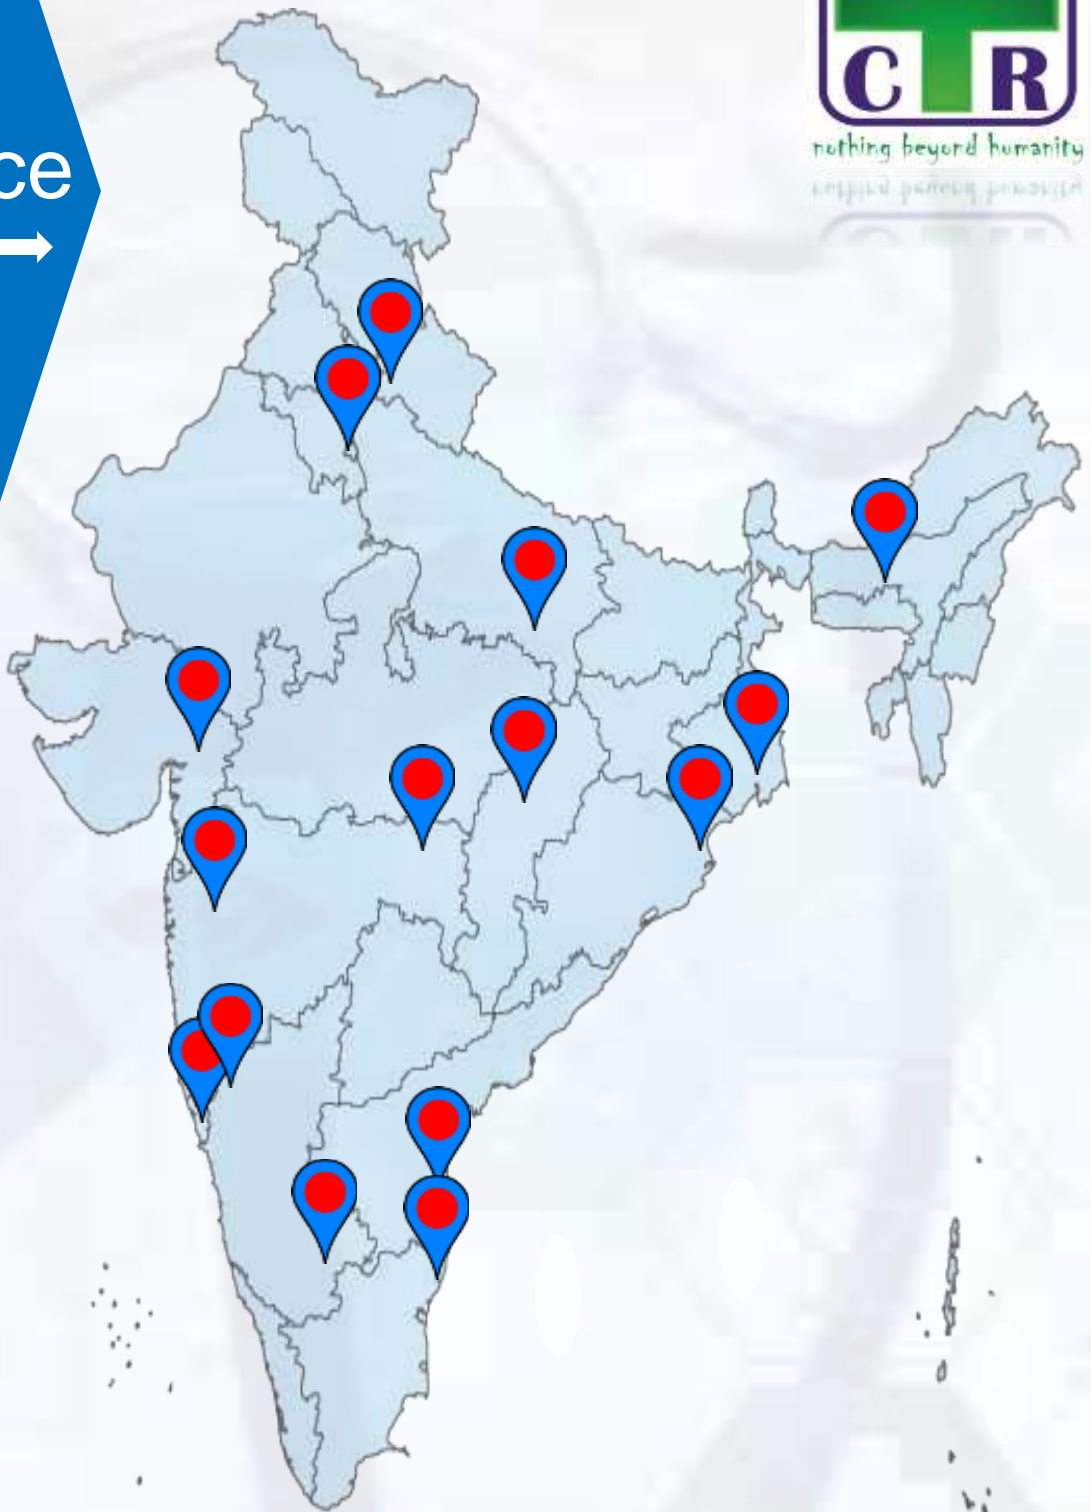

nothing beyond humanity
ಅನನ್ಯ ಮಾನವತೆಯನ್ನು

Note: Collaborated with 7 Covid19 Central Government & State Government Sites for CT.

Our Presence

nothing beyond humanity
किसी भी मानवता के परे कुछ नहीं
